**PRAYING FOR MISSIONS**

***PRAYER FOCUS: Sub-Saharan African Peoples***

In April, Macomia district, Mnozambique was 85-90 percent devastated by Cyclone Kenneth. Within days, IMB missionaries and Baptist Global Response were delivering family kits to those who lost everything. Pray these acts of compassion would continue to point people to salvation through Jesus Christ. Pray believers in this Muslim area would have divine appointments when they can share the gospel boldly.
